Protection of Personal Data

A request to attend the "*Conference on the EU Strategy for the Danube Region*" –means that certain personal data concerning each participant will have to be handled by the Directorate-General Regional Policy, in conformity with Regulation (EC)45/2001. By registering a participant gives his or her agreement for this personal data to be used in the context of the conference.

In accordance with the provisions of the above regulation, the following details should be noted:

Data controller:	M. Raphaël Goulet
Function:	Head of Unit - Information & Communication
DG:	Regional Policy
Reason for handling the personal data:	To allow certain activities necessary for the organisation of the conference to be carried out and drawing up a list of participants to be distributed to all attendees at the conference.
Right of access to personal data:	Participants have the right to access their own data which will be kept until the next conference.
